

# Whetstone Pastures – Age 5-11 Tasks

Calling all young people aged between 5 and 11 years old. This is your chance to help shape the vision for a new garden village community at Whetstone Pastures in South Leicestershire.

If you are unsure about what a vision is, you can ask your parent or guardian. Our vision for a new garden village at Whetstone Pastures will describe what we want the new village to be in the future. What will it look like? What things will be in it? But we really want to hear about your ideas for the vision too.

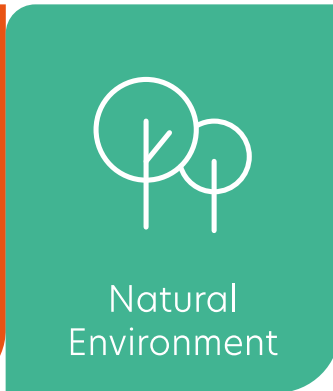

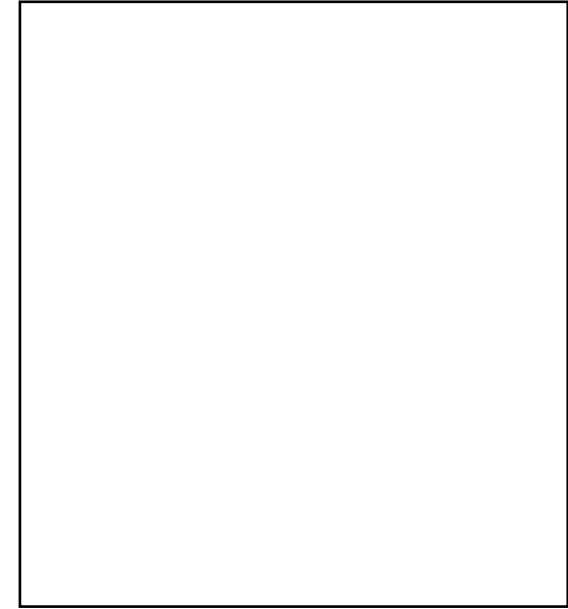

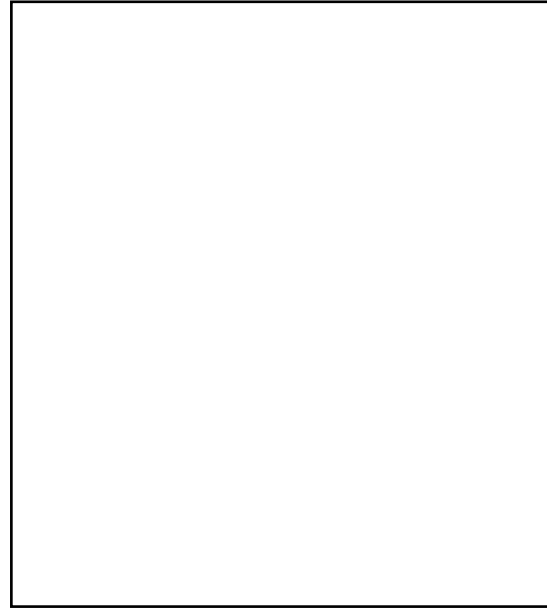

The project team for Whetstone Pastures have prepared a special worksheet with four tasks for you to complete with the help of an adult.

Scans or photographs of completed worksheets should be returned to [contact@whetstonepastures.co.uk](mailto:contact@whetstonepastures.co.uk) before 24<sup>th</sup> January 2021 along with your name, age and school. These will then be uploaded to our website at [www.whetstonepastures.co.uk](http://www.whetstonepastures.co.uk)

Thank you for getting involved. We look forward to seeing your completed worksheet and hearing all your ideas.
